Dear Sheila:

Thank you and AZCREW for all of your efforts on behalf of the Changing Lives Center. We are thrilled to be associated with AZCREW and for being one of the charities designated to receive proceeds from AZCREW for the next two years.

The women and children who will be moving into the facility in August, 2009, represent the new face of the homeless population. They will have a chance to break the cycle of addiction and abuse and have the opportunity to become independent and productive citizens.

I personally appreciate your efforts and look forward to helping more with the event next year. By the way, I have told many, many people about the Caddy Auction and how much fun it was. If I can get some notice next year, I know I can get another 30 or 40 people in attendance.

Best personal regards,
